*Most flights have flexibility in travel dates, times, and departure and arrival airports. (Filling space available seats can also be an option for a child and parent on dedicated flights.) Also, please let us know if you could fill part of a leg; we may be able to fund a charter for the remainder of the trip. (This document may be shared with other potential jet donors.) Please contact our Flight Coordinator, Mary Lynn Fisk at FlightCoordinator@aeroangel.org or Mark Pestal, Mark@aeroangel.org for details or to offer a flight.
